

2016 The 14th CIE/USA – Seattle Education Programs News Announcement

March 15, 2016

To provide our contributions and commitment to the Asian Pacific American (APA) community, Chinese Institute of Engineers/USA - Seattle (CIE/USA – Seattle) is proud to announce our 14th annual APA youth scholarship program:

Scholarship Award

A motivational program designed to promote APA career interest in the fields of science, engineering, and technology. There are three award categories covering 6th graders to undergraduate college students with a total award amount of about \$4000. Application period begins April 1, 2016 and ends June 15, 2016.

For the detailed award program, please visit <http://www.cie-sea.org/>.

Chinese Institute of Engineers/USA (CIE/USA) was founded in 1917 in the United States by a group of dedicated and far-reaching Chinese engineers who graduated and were trained in the United States. The objective of CIE/USA is to promote information exchange among engineers and scientists who are interested in the well-being of the Asian Pacific American (APA) community in the U.S. and abroad.

Chinese Institute of Engineers/USA - Seattle, formerly the Society of Chinese Engineers of Seattle (SCES), was founded in 1962 and joined the prestigious CIE/USA in 1987 as the CIE/USA Seattle chapter. In conjunction with six other chapters in the United States, CIE/USA has been hosting the renowned DiscoverE Engineers Week “Asian American Engineers of the Year” (AAEOY) gala event during DiscoverE Engineers Week for the past 15 years. Among the corporate leaders, scientists and engineers that have been honored, 9 were Nobel Prize laureates.
